Derbyshire

I certify that the dog presented for examination today is the dog identified above.

Signed (Owner(s)):

Date: 13/07/2012

SECTION B (to be completed by veterinary surgeon)

- LEFT KIDNEY - I could not detect the presence of any visible cysts in this dog's left kidney at the time of examination.

- RIGHT KIDNEY - I could not detect the presence of any visible cysts in this dog's right kidney at the time of examination.

Ultrasonographic examination of the above dog has showed him to be free of polycystic renal disease. This is a one lifetime test that does not require a re-examination.

Veterinary Surgeon: Dinu Catilina
Qualification: DVM, MRCVS

Date: 13/07/2012
